Good morning Kim. Please see above. I land at 10:52. Perhaps we could meet at the Ohare Hilton immediately after I land? Alternatively, if there is a location at ohare that you have access to that would work as well. Best,
Michael

Good morning. Looking to see if we can find a private space at O'hare such that you don't have to worry about security. I'll let you know where shortly.

Morning. Speaking at a conference this morning in Tampa, so tied up until midday. I'll reach out then. Preliminarily looking at Friday or Monday.

Thanks. Good luck today. Friday may be tough with my schedule but let me check. Monday is a holiday. Tuesday may be best.

Thanks! We'll look towards Tuesday. I'll be in LA but the team will be ready. Looking forward to talking later today.

Kim - I need to give you an update on something. Do you have 5 min this morning?

Sure

Sure.

Sending link to entire document as well

remains necessary to determine whether a case was still viable when the 2000 change occurred.

The Formula (Minor Victims Only)

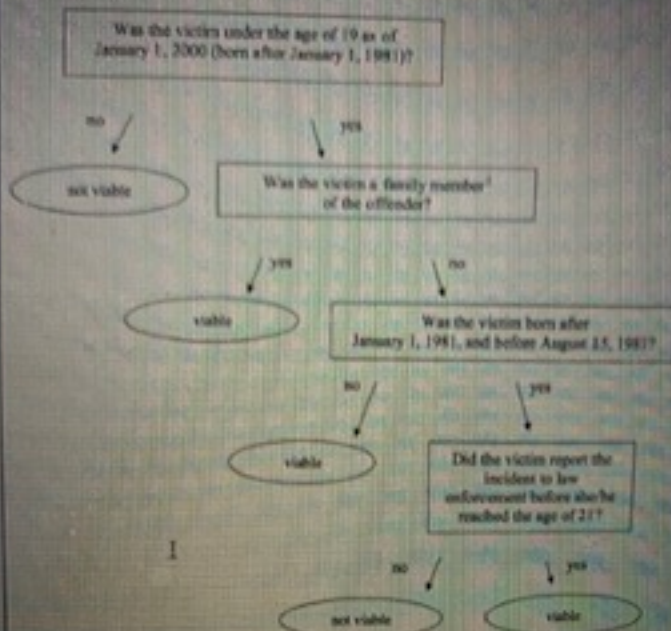

If the sexual crime occurred after July 1, 1984, and the victim was a minor (under 18) when the crime occurred:

1. Was the victim under the age of 19 as of January 1, 2000 (born after January 1, 1981)?
 - If "no," the case is not viable.
 - If "yes," continue.
2. Was the victim a family member to the perpetrator ("family member" being defined by 720 ILCS 5/12-12(c))?
 - If "yes," the case is viable.
 - If "no," continue.
3. Was the victim born after January 1, 1981, and before August 15, 1991?
 - If "no," the case is viable.
 - If "yes," continue.
4. Did the victim report the incident to law enforcement by age 21?
 - If "no," the case is not viable.
 - If "yes," the case is viable.

For any victim born after August 15, 1991, the duty to report by the age of 21 would have been eliminated before the victim turned 21.

Thanks
